

Miguel Zuleta (Senior Web Designer)

miguelzuleta8@gmail.com ★ www.miguelzuleta.com

Passionate web designer with years of experience in many areas of the industry, comfortable with any type of creative challenge. Capable of successfully planning and executing cross-team simultaneous projects. Ability to fully adapt and mold to different design, production, and business trends to become a stronger and more dynamic team player. Always on the lookout for the most up-to-date design and development practices, to ensure solid and decisive project turnaround.

Education

BFA at Youngstown State University, Youngstown, OH (Fall 2008)
Major in Graphic Design

Skills

Expert proficiency in Photoshop, Flash, HTML/HTML5, CSS3, template production and email development. Intermediate competence in Illustrator, After Effects, Product Management and Scrum. Basic knowledge of Javascript and Actionscript 2.

Experience

Aeria Games & Entertainment (Dec 2009 - Present) *Senior Web Designer*

Responsible for design and development of ad banners, e-mail campaigns, websites, game launchers, landing pages, teaser sites, video trailers, branding, and logo builds. Lead team's production efficiency and acceleration with the reinforcement and management of custom built templates for several design related tasks.

Aeria Games & Entertainment (Sept 2009 - Dec 2009) *English/Spanish Localization Specialist*

In charge of translating into Spanish some of the major games of the company, while adapting the new editions to fit a specific audience's idioms, slang, and mannerisms.

Musica Viva Colombia (Freelance) *Web Designer*

In charge of giving the company's corporate website a complete overhaul, transitioning from Flash based design to modern HTML/CCS3 markup for better performance and loading time.

Colegio Montessori (Freelance) *Graphic Designer*

Designed the official logo of a Montessori School in Bogotá, Colombia. Redesigned the school's corporate identity, and brochures.

Epic Duel (Freelance) *Graphic Designer*

Designed the logo of one of Artix's most popular online based multi-player games. Colaborated with the design of the players' character's faction flags.
